CAMP POLICIES

SAFETY & TRANSPORTATION

Our summer camps are all licensed through the Department of Health which require that strict policies and procedures are in place to ensure the safety of all campers and staff. In addition, our YMCA has put in place the highest standards for our program during the COVID pandemic. We have operated numerous child care, youth sports and summer programs throughout this time and continue to put considerations regarding the health and safety of the children and our staff team first in all we do.

We are excited to announce that we will have transportation available again this season to Camp Jericho! Pick up and drop off for bussed campers will take place at the Y on the Oval branch. Before and After care will also be there. While on the bus, masks will be required. A full-time Nurse/EMT will be on staff during the summer months for assistance with any health-related guidance or concerns.

FEES

Full payment for all camp sessions is due by June 10th.

You have the option to start paying for camp as soon as you register or to set up a payment plan – please see details below. Plattsburgh YMCA scholarships are also available for those in need of financial assistance. Funding is limited, so apply as soon as possible if you are interested. The deadline for YMCA scholarship applications is March 9th.
